ABOUT US

Nkimbili Digital Skills Academy is dedicated to providing practical and professional computer training for students, teachers, and professionals. With a focus-on learning, we ensure that every learner to gain real skills that can be applied in education, business, and daily life. Our mission is to empower learners with the digital skills needed for success in the 21st century.

COURSE DESCRIPTIONS

Microsoft Office

WE offer comprehensive training in Microsoft office applications including Word, Excel, PowerPoint, and Access (Data base). Each

module tailored to meet the needs of beginners, intermediate and advanced learners.

- MS Word: Learn document creation, formatting, and reporting (Mail merge)
- MS Excel: Master spread sheets, formulas, functions, data analysis, and automation.
- Ms PowerPoint: Create Professional presentations with animations and transitions.
- MS Access: Manage databases and queries effectively.

HTML & CSS

Our web design course introduces learners to the basics of creating websites using HTML (Hyper Text Markup Language) and CSS (Cascading Style Sheet). By the end of the course, learners will be able to design and style functional, responsive web pages.

EXCEL TEMPLATES FOR SALE

We design and sell professional Excel templates to simplify your work. These templates are read to use, customizable, and save time in various fields. Available templates include:

- Students' results management Templates
- Business Sales & inventory Template
- Personal & Business Budget Planner
- School Timetable and Attendance Template

WHY CHOOSE US

- Step by step teaching methodology
- Practical and real-world examples
- Affordable and flexible learning packages
- Continuous support and consultation
- Professional Experience in ICT solutions
